Friday Flyer

Week 14 – 14th December 2018

Message from the Headteacher

It's almost here...I can't believe this will be our last newsletter of 2018! Time really does fly when we are having so much fun!

This week has been absolutely jam-packed with music and festive spirit!

Firstly, thank you to our choir who performed a medley of up-lifting Christmas and Disney songs to parents on Monday night. Mrs Edwards was over-whelmed by the quality of the performances - thank you to Miss Cole for working so hard with the choir and giving them the opportunity to show case their talents. Super!

Also, well done to all our talented musicians and singers who performed at Wednesday's Perryfields Music Extravaganza! We all loved listening to Christmas songs, Abba medleys and individual instrumentals - an inspiring hour where our hall was filled with outstanding performances - we were mesmerised! Congratulations to Fleming House who won the 2018 House Sing-off!

Our whole school Christmas dinner was a great success - as is our tradition, we all ate together, dressed in festive jumpers whilst singing along to Christmas medleys! A great lunch! Mrs Ayling...the vote is unanimous-you and your lovely team are once again our Master Chef finalists! Extra bonus - we raised £173.00 for the Christmas Jumper appeal which will help those in need at this time of year!

Thank you to all parents, families and staff who attended our Christmas service at All Saints Church on Wednesday. Our confident and articulate Year 4 children performed a beautiful Nativity story in front of a packed church which gave us the opportunity to share another special memory together. Thank you Miss Bishop and Miss Leete for organising the service and managing to fit in rehearsals in a few very busy weeks!

Well, it's the end of another very eventful term at Perryfields which has been filled with engaging and challenging tasks and activities that have undoubtedly helped to enhance and benefit our pupils' time here. In this regard I cannot thank all our staff enough for their hard work and commitment - together with parents and governors support we have had a very successful and memorable 2018 Autumn term!

I hope you have a lovely Christmas and my very best wishes to you all for a happy and healthy 2019!

School Lunches

We have had an increasing number of parents bringing their child's packed lunch into school very late into the school day. The lunch order is taken first thing in the morning. If a child hasn't brought a school lunch, most will automatically order a hot school meal. Once ordered the meal will be charged for. Bringing packed lunches into school after the start of the school day causes disruption for both the school office and the child's class teacher. Could you please make sure that if your child is having a packed lunch that they bring it with them in the morning.

Also, some children are ordering a school meal even though they have a packed lunch. Again a school meal would have been ordered and you will be charged. Please make sure your child knows what to order when the dinner register is taken. Thank you.

Eco warrior Christmas competition

Create a sculpture, drawing or something similar which is related to Christmas only using recycled materials. There are no limits on the size of the entry.
