Friday Flyer

Week 23 – 15th March 2019

Message from the Headteacher

Despite the ferocious winds, I am delighted to report that all of our children have experienced lots of enrichment activities this week...

Firstly, well done to our Year 3 football team who competed in the inter-school mixed finals at Great Baddow on Monday! Our talented team achieved 2nd place overall -only one goal conceded over two competitions and losing out on a gold medal on goal difference. The future is bright for boys and girls football at Perryfields! Outstanding efforts all round!

Our Eco-Warriors (and Miss Riley) enjoyed their workshop with The Wilderness Trust Thursday afternoon where they were taught about the importance of bees. During the afternoon session they learnt lots of interesting facts and have been inspired to help preserve the bee population. They will deliver an assembly to the school soon. We look forward to hearing all about it!

School Council have been busily preparing for Red Nose Day today. It seems like the school has been turned upside down: Children dressed in red; School Council dressed as teachers and staff were in school uniform! Hilarious! Thank you for your generosity in supporting this wonderful cause with your kind contributions of cake and money donations. So far we have raised £359.50!!

Lastly, a HUGE well done to Sophie in Walliams Class. Sophie raised a fantastic £40.11 for her charity the Mary Wood Trust – Girls in Education in Uganda.

I hope you have a lovely weekend

Jane Hasler

Dangerous drop-offs!

If you are dropping your child off in the morning, please ensure that you do NOT stop on the yellow zig-zags or near the crossing patrol. Cars have to swerve around cars that have stopped and this causes a hazard to those children and adults crossing the road. We understand that time is precious but nothing is more precious than the safety of ALL our children. Thank you.

Digital Leaders Update

The Digital Leaders are always helping our school stay safer online by sharing positive messages about how to use the internet responsibly. They are even thinking about how they can continue to share this message with parents! The UK Safer Internet Centre has a parents' guide to technology with some helpful advice and guidance about smartphones, gaming devices, tablets and Smart TVs. Each section has useful tips that you can follow at home to make your internet use much safer for all of the family.
