

Perryfields Junior School

Friday Flyer

Week 30 – 24th May 2019

Message from the Headteacher

We've been busy with lots of visitors into school, extra-curricular and sports events this week...

Firstly, it was lovely to welcome our governing body into school on Monday afternoon; they came to share the progress we have made in terms of our school improvement priorities so far this year. Our governors also walked around all the classes and were very impressed with the consistency in our delivery of the curriculum, our children's behaviour and their positive attitude towards their learning. Well done Perryfields!

Also on Monday we invited a speaker from the Royal Association of the Deaf, Ellie, into assembly to talk to the children about the work this worthy charity does. This was a brilliant opportunity for the children to appreciate the best and most respectful way to communicate with those who have hearing impairments - we even tried a bit of sign language (check out the school blog).

Also on Monday we squeezed in a home netball match against Moulsham Juniors and our talented development team were victorious with a 13-1 score-line! Fantastic efforts and outstanding displays of team work, determination and excellence from everyone! Mrs Lodge, aka 'super coach' was very pleased!

I was also delighted to hear that our rounders' teams worked hard at the Great Baddow inter-school tournament to secure 1st and 3rd place overall! Superb efforts from both teams! Mr Curtis, (also) 'super coach' was delighted!

And there's more...huge congratulations to our talented cricket team who achieved 1st place in the inter-school cricket tournament on Wednesday! Outstanding result!

And there's more...well done to our determined Year 6 football team who played in a closely fought match against Tyrells yesterday and won 2-1! Mr Curtis was delighted with our team's sportsmanship, skill and perseverance! Another excellent result!

Apart from our many sports clubs, our teacher clubs started this week and it was great to see so many children staying after school to enrich their school experience by attending Lego Engineering, British Sign Language, Not Just a Book Club, Rounders, Drama, Gotta Dance and Orienteering! Thanks go to all class teachers who give up their time to lead the extra-curricular learning!

It was lovely to meet lots of our prospective Year 3 parents on Wednesday; our Year 6 children were outstanding guides, making sure that our new parents were well informed about all our routines and facilities. House points were awarded to Year 6 for outstanding manners and for being brilliant ambassadors for our school!

I hope you all have a super, sunny (restful) break-see you on Tuesday 4th June!

Jane Hasler
