### Headteacher's Message

Dear Parents and Carers,

We have had a truly wonderful start to the new term, and it has been a joy to see the school buzzing with energy, curiosity, and smiles. Our new Year 3 children have settled in beautifully to life in the juniors. They have approached the week with confidence and enthusiasm, quickly adapting to new routines and expectations. It is always a big step moving into a new key stage, and we are incredibly proud of how well they have risen to the challenge.

As I walked around the school this week, I was struck by the purposeful atmosphere in every classroom. Children were fully engaged in their learning, showing excellent concentration and a real determination to do their best. From lively discussions in English to careful problem-solving in Maths, the effort and commitment from pupils has been evident everywhere. The learning behaviours on display – resilience, curiosity, and enthusiasm – are exactly what we strive to foster, and it has been inspiring to see them so clearly at the start of the year.

It has also been heart-warming to see the way children are supporting one another – offering encouragement, sharing ideas, and celebrating each other's successes. This sense of community is what makes our school such a special place.

We are excited for the term ahead and know that, with such a positive beginning, there are wonderful things to come. Well done to all our pupils for their hard work this week – we are very proud of you!

Mrs S Edwards
